

Kitchen Porter

Variable Hours – typically up to 30-35 hours per week

We are looking for an exceptional individual to join our busy kitchen team at Jordan's Mill.

Working as a Kitchen Porter you will be vital to keeping our kitchen team on track and supporting them as they deliver exceptional home cooked food to our many visitors and guests, and at this time of year, as we get ready to welcome our many visitors during our busy spring and summer period, this is a vital role.

About you:

If you have a love of working with people and a passion for customer service this is where it all begins; a naturally communicative personality with plenty of positivity, a sense of fun and adventure and a great team working ethos is where you will really shine. You will ideally have previous experience of working in a kitchen environment and not be afraid of hard work and the pace of a busy service.

You need to be physically fit in order to be able to lift and carry heavy kitchen equipment and move trolleys around, as well as be able to load and unload dishwashers quickly and efficiently.

About the role:

Your role will be to keep the kitchen clean and safe, ensuring that the working area and all equipment is cleaned to the highest standards following the correct cleaning procedures to maintain good hygiene and health and safety standards, adhering to regulations with regard to the use and storage of chemicals. During service, your role is to quickly turnaround crockery and cutlery too, so that we can continue to maximise the throughput of guests in the restaurant at all times, working closely with the Front of House team.

Due to the nature of the role and the requirement to sometimes work alone, applicants need to be a minimum of 16 years old. This is an ideal role to start your career in catering and we are always looking for people who aspire to develop a longer-term career in catering and want to learn their trade and grow with us.

About the contract:

Whether you are seeking a regular weekly commitment or have a gap between studies and want a summer job or weekend job, we have opportunities to suit. We can offer a variety of hours to suit although because of the nature of what we do, all roles will include working during the busy lunchtime service period, at weekends and bank holidays given that these are our busiest times. Evening work is not regular but is required to service events such as weddings and parties that we host outside of our public opening times.

Rate of Pay / Benefits:

National Minimum Wage for age group, contributory pension scheme, 28 days holiday, subsidised meals.

How to Apply:

Visit our website for further details <https://jordansmill.com/contact-us/vacancies> where you can complete a contact form and send your CV directly to us.

Alternatively, please send your completed application form by email to hr@jordansmill.co.uk
